

100 Years of Service

"I was president for the 50th Anniversary, and I hope you can join us for the 100th on October 14. With the 100th anniversary this year, my wish is that PSATS continues doing the great job they've been doing for the last 100 years. If the Association and the supervisors continue to work well together, they will keep each other strong."

— **PSATS Past President Ed Hill, 1971-72**

"PSATS protects our rights and fights for issues that protect our citizens' property values in the long run. Working together is the only way we can stay strong, protect our values, and ensure the future of township government. PSATS is very important to the state of Pennsylvania and the township government that it serves. The Association protects our interests, and we cannot afford to lose it, so stay strong, PSATS."

— **PSATS Past President Donna Mindek, 2004-2006**

"Why has our Association stood strong for 100 years? It starts with our members. We have 1,454 townships across the state, and they have stood behind the Association for 100 years. That speaks for itself. Our voices have been heard loudly and clearly in Harrisburg and Washington, D.C. We have much to celebrate at our Centennial Celebration Dinner!"

— **PSATS President Marvin Meteer, 2020-Present**

JOIN US ON OCTOBER 14, 2021, TO CELEBRATE OUR CENTENNIAL!
