

The 5th Nordic course on LUTD and urodynamics:
Urological consequences of cancer treatment
“The price of the cure”

Covering consequences of urological cancer treatment including
LUTD, urodynamics, sexual dysfunction, QoL, reconstruction

Nordic and International speakers

Disclosures

"Yes, I am employee of the month again. And yes, I'm the one who chooses the employee of the month. And no, I don't see a conflict of interest."

Chair in **LUTD**-group (NUF)
Member of the national clinical guideline group (**DMA**)
Member of the **health research ethics committee** in Central Denmark Region

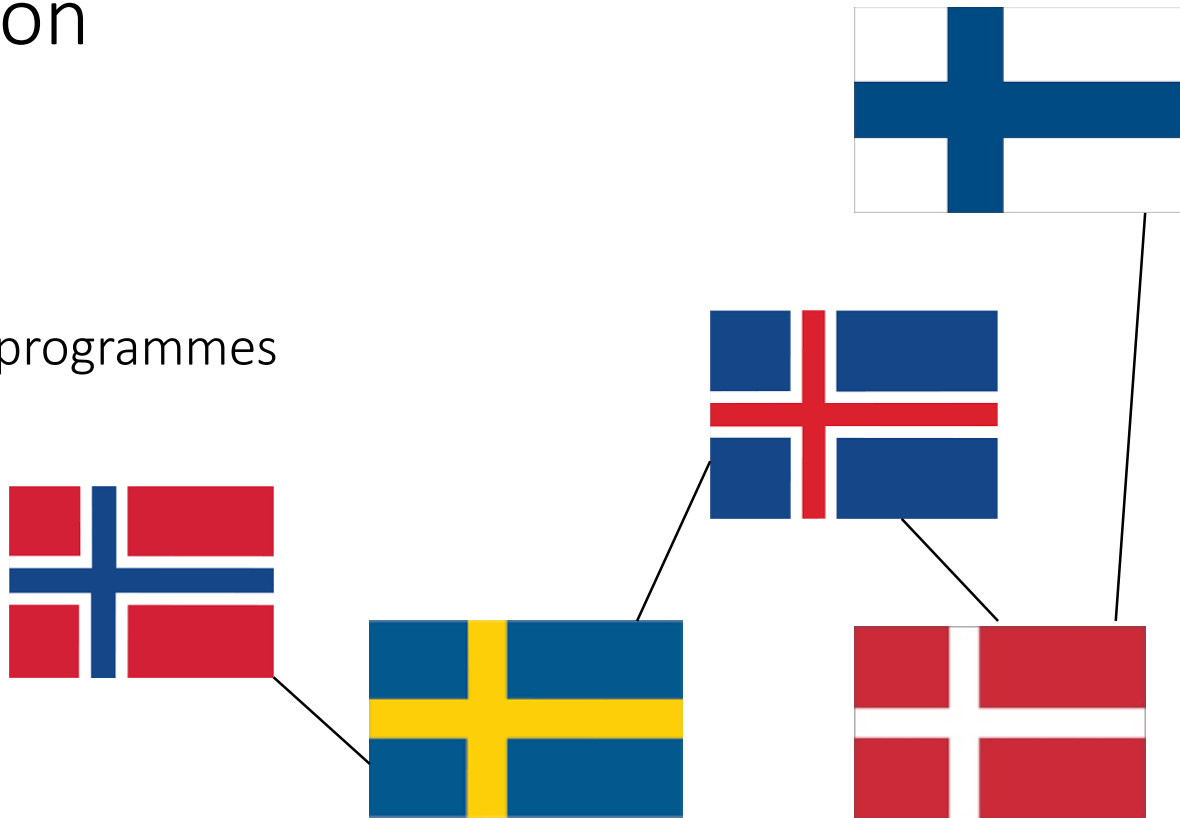

To guide you through the symposium

THE COLLABORATION GROUP ON LUTD

Our vision

- Education
- Research
- Exchange programmes

What have we been up to lately....

- 2009: Best practice in LUTD
- 2011: New ideas in the understanding, diagnosis and treatment of LUTD
- 2013: Overactive and Underactive- what does it mean?
- 2015: New trends in LUTD
- 2017: Emergency call for LUTD - it's now or never
- 2019: UTI's with a twist

- 4 educational courses on urodynamics

Program day 1
