

Conference Update

The IAG Committee would like to thank all our delegates who supported our 1-Day conference in Brisbane in 2020. If the feedback is anything to go by, whether you attended the event in person, or participated virtually, it appears the conference was well received. That being said, there were some great suggestions and we look forward to returning to our regular extended conference that we have all come to expect.

The 2021 conference will be the 35th conference and planning is already underway. Our theme for 2021 conference is “**Finance in Motion**”. The conference will be held on the 17-19 November 2021 and yes we are back at the Sheraton Mirage Resort on the Gold Coast.

Our first order of business is to hold the IAG Incorporated Association’s AGM. As such, we would like to take this opportunity to personally invite you to attend the AGM and to perhaps also consider joining the committee. Conferences are not easy to pull together, however they are a great opportunity to expand your skills, work as part of a dedicated team in creating and shaping training of value within the public sector. In addition, the committee works really well together, so you will always have fun and will be supported by the other members along the way. If you have any questions about becoming involved – please feel free to contact our current committee.

Hoping to see you on the Gold Coast in November.
