

Privacy Policy

This Policy relates to privacy practices in connection with this website and delivery of ESVO 2019 taking place in Dublin, Ireland from the 3 – 6 October 2019.

ESVO 2019 Committee and Keynote PCO are the data controllers for the purposes of this Privacy Statement. This policy and practices are in accordance with the European General Data Protection Regulation (GDPR).

Information collected and use of personal information

ESVO 2019 Committee and Keynote PCO do not collect any personal data about you on this website, apart from information which you provide for the purposes of registering to attend the conference.

All registrations for ESVO 2019 are processed through the secure *Aventri (previously known as etouches)* registration system delivered by Aventri (data processor) on our behalf. Aventri has integrated with Irish and global payment gateway Global Payments (previously know as Realex) Payments in providing a secure payment system. This system ensures that clients' financial data is processed in the most secure fashion available and is backed up by detailed audit trails and accounting reports. All credit card payments process for ESVO 2019 are through Global Payments (data processor).

Aventri and Global Payments are fully compliant with the Payment Card Industry Data Security Standard (PCI). Please visit the following websites for further information. (you will be directed to the new selected website accordingly)
and

Keynote PCO also undertake a review and audit of procedures to comply with PCI standards annually.

ESVO 2019 Committee and Keynote PCO, are provided with the registrant's Attendee Information – such as name, organisation, position, email address, postal address and telephone number, plus information selected as part of the booking process. This information is used solely as is reasonably required for the purposes of administration of the conference. In certain circumstances, it may be necessary to provide your details to suppliers in connection with attendance at the conference, for example in relation to specific dietary requirements or health and safety considerations such as accessibility, and subject to contractual agreements and compliance with GDPR. In such circumstances, the information made available will be the minimum necessary and will be supplied strictly on condition it is only used for that purpose.

Any personal data which you provide is not shared or made available to any third parties, save your express permission or in the event that there is a duty to disclose or share your personal data in order to comply with any legal obligation or in order to enforce terms and conditions of the supply of services.

In the event of a sale, merger, liquidation, receivership or transfer of all or substantially all of the assets of Keynote PCO, the company reserves the right to transfer information (including your Personal Data) to a third party, provided that the third party agrees to adhere to the terms of this Privacy Statement and provided that the third party only uses your Personal Data for the purposes that you provided it to us.

Data Security

All Personal Data will be stored subject to appropriate technical and organisational security measures designed to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data. ESVO 2019 Committee and Keynote PCO will take reasonable steps to ensure the reliability of any employees who have access to Personal Data.

Queries and Access to Personal Data

If you have any requests concerning your personal information (personal data) or any queries please do not hesitate to contact us:
