ERICSA COVID Policies

CODE OF CONDUCT:

ERICSA is dedicated to providing a safe event for all participants. As information around the COVID-19 coronavirus continues to develop, we will adjust our approach, as needed, based on guidance from the medical community and the U.S. Centers for Disease Control and Prevention (CDC). Changes to policies may be made based on changing guidelines

around the country and the state of Louisiana. Given that the responsibility of a safe in-person event is shared among participants, ERICSA has developed a code of conduct by which all participants must abide.

ATTENDEE LIABILITY WAIVER AND ASSUMPTION OF RISK:

The attendee assumes all risks and accepts sole responsibility for any injury (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that attendee may experience or incur in connection with attending the 2022 ERICSA Conference in New Orleans, LA. Attendee hereby releases, covenants not to sue, discharges, and holds harmless ERICSA, its employees, agents, and representatives, of and from any such claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto. Specifically relating to the global COVID-19 pandemic, attendee acknowledges the highly contagious nature of COVID-19 and voluntarily assumes the risk of exposure or infection by attending the 2022 ERICSA Conference, and that such exposure or infection may result in personal injury, illness, disability, and/or death to attendee. Attendee understands that the risk of becoming exposed to or infected by COVID-19 at the 2022 ERICSA Conference may result from the actions, omissions, or negligence of others who may attend the event or their families, colleagues, or others with whom they may have contact. PROOF OF COVID-19 VACCINATION OR NEGATIVE COVID-19 PCR TEST:

By registering for the 2022 ERICSA Conference, you confirm one of the following:

1. That you comply with the following vaccination policy: at any time before the beginning of the 2022 ERICSA Conference, you must provide proof of full vaccination against the COVID-19 coronavirus. Per CDC guidelines, the vaccines must have been administered at least two weeks before attending the event. Per the CDC definition of "vaccinated", this means two Moderna doses, or two Pfizer doses, or one Johnson & Johnson dose. Please note that ERICSA may alter this policy if this recommendation changes, i.e., if the definition of "vaccinated" changes to include a booster.

- OR -

2. You must provide proof of a negative COVID-19 PCR test no earlier than 72 hours before the start of the conference, which would be no earlier than Friday, May 20, 2022. Please note that it must be a PCR test; antigen tests or home testing will not be accepted.

Failure to provide documentation confirming vaccination status or negative test will result in the immediate cancellation of registration, without refund. Detailed instructions will be made available by late April/early May 2022 on how to submit your vaccination verification or negative test results to ERICSA via the CLEAR HealthPass on the free Aventura app, which is our conference app.

ERICSA COVID Policies (continued)

NEW ORLEANS GUIDELINES FOR COVID-19:

On August 12, 2021, New Orleans Mayor LaToya Cantrell and the City of New Orleans Department of Health announced updated *Guidelines for COVID-19 Reopening*, which require individuals to provide proof of “having received at least one dose of a COVID-19 vaccine” or “evidence of a negative COVID-19 PCR test taken no more than 72 hours before entry” in order to access certain indoor establishments. These indoor facilities include: (1) bars, restaurants, and breweries; (2) gyms, group fitness centers, and individual fitness classes; and (3) entertainment and performance venues, such as indoor sports stadiums, concert halls, event spaces, pool halls, bowling alleys, arcades, adult live performance venues, casinos, racetracks, and video poker establishments. The restrictions went into effect on August 16, 2021. Eligible Individuals: the updated guidelines apply to “all individuals who are eligible to receive a COVID-19 vaccine,” and so, consistent with recommendations from the CDC, the restrictions apply to children who are five years of age and older.

This means that attendees who opt to attend the 2022 ERICSA Conference by providing a negative COVID-19 PCR test before the conference will have to take an additional test while in New Orleans, at their own risk and expense, if they want to access any of the indoor facilities included in the paragraph above.
