

HIV & Mobility what are we talking about?

Mobile populations: People who move from one place to another temporarily, seasonally or permanently for a host of voluntary and/or involuntary reasons.

HIV and mobility in Australia ... maybe not so unique?

2014 Road Map for Action

Community of Practice for Action on HIV and Mobility (CoPAHM)

- Established to keep HIV and mobility issues on the national agenda.
- 60 stakeholders from government, NGOs, CBOs, research, and peak bodies.

2015 Interim Report Card

Momentum across five areas for action

Community mobilisation

Development of services for mobile or migrant people and groups

Research, surveillance and evaluation

Commonwealth and state leadership

International leadership and global health governance

Full details – contact copahm@curtin.edu.au

Increasing the momentum

Acknowledgements

This work would not have been possible without input from a lot of people.

- Financial support from the WA Health and Commonwealth,
- Significant in kind support from the Centres at Curtin Uni,
- CoPAHM members and BBVSS who assisted in the mapping for the report card.
- Thank also to my co-authors Roanna Lobo and Gemma Crawford
