Why Donate?

Donations are particularly important to Midwest Mission because we operate completely through God's generous people like YOU that make individual donations. Midwest Mission is funded 100% by those donations & operates with no indebtedness. We only purchase supplies or make campus upgrades when funds are available.

Cash donations are the most efficient form of assistance. For every \$1 donated, \$6.33 in education, health, micro business, and disaster relief supplies are sent to support those in need. Unlike in kind donations, cash involves no transportation costs or shipping delays.

Midwest Mission is a 501c (3) organization.

Midwest Mission

Since opening for ministry in 2000, Midwest Mission has been showing God's Love in practical ways through the distribution of education, health, micro business and disaster relief supplies, meeting basic human needs around the world and around the corner. A "hands-on" mission experience is provided to those who serve at Midwest Mission and the work of these missionaries sends hope and the love of God to all those receiving the supplies.

Mission

Hearts and hands transforming the resources of God's people into humanitarian relief.

Distributions

Midwest Mission distributes its kits, resources and supplies after receiving a request. Supplies are given free of charge regardless of gender, race or religion.

Midwest Mission connects with local aid organizations by providing items that are received that do not meet kit requirements.

Midwest Mission is one of ten cooperating depots in the United Methodist Committee on Relief (UMCOR) Supply Network. Midwest Mission distributes UMCOR supplies in response to disasters within the United States.

Midwest Mission also partners with Christians in Mission, Food for the Poor, Franciscan Mission Warehouse, and the US Southern Command.
