

Associate Professor Jennifer Philip
PhD, FChPM, MMed, Grad Dip Pall Med, MBBS

Jennifer Philip is the Deputy Director of Palliative Medicine at St Vincent's Hospital, Melbourne, head of St Vincent's Palliative Care Consultancy Service and Co-Deputy Director of the Centre for Palliative Care, a collaborative centre of the University of Melbourne.

Jennifer is a palliative care physician with extensive experience predominantly in the hospital consultancy setting whereby she has worked over a number of years to influence the palliative care of patients earlier in their illness trajectory.

Jennifer's research agenda has largely focused in the area of developing models of palliative care for particular disease types, namely COPD, glioma, nursing home patients and care in the emergency department. The data resulting from these areas of research inform and are informed by her clinical work.
