(THE LACK OF) INTEROPERABILITY IN PRACTICE

Interoperability from a real user perspective

Follow us  @eHealthWeekEU #eHW15

Content

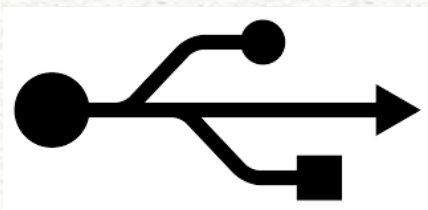

1. Starting point
2. What is not the issue
3. What is the issue
4. To be continued

1. Starting point

During EIP AHA Summit:

- Circle reasoning
- Whole chain is open to make use of standards (from our experience)
- Domain (e.g. home vs. health) becoming vague
- Specific questions

2. What is NOT the issue

3. What is the issue

+

+

=

4. To be continued (1)

- Willingness

- Ability

- Resources

- Results

4. To be continued (2)

Recommendations

- Search for good example
- Cooperate with this good example
- Learn from each other

THANK YOU
