Remaining on Property Policy

Since we are not a child care, by law we require parents or guardians to stay on property at all times while your child(ren) is attending Camp CeSar.

Camp CeSar

Camp CeSar is a club that offers a variety of recreational activities for children 4-12 years of age. We provide a safe, supervised, and exciting environment so you can feel comfortable leaving your child(ren) with our qualified staff. Camp CeSar staff and on site security are certified in CPR and first aid. Camp CeSar has an open door policy that allows the parent(s), to visit at any time! We hope you and your child(ren) have a great time during your stay with us. Each session offers an array of indoor and outdoor activities for the children to choose to participate in. They will have the opportunity to learn about the ocean and the animals that inhabit it. We also offer many different arts and crafts to allow each child to explore their creative side. Camp Cesar attendants can take the children out to the pool for a swim, and to the beach to find seashells, or build sandcastles. Also we explore around our historical hotel on a scavenger hunt that ends in a tasty treat!
