

1st INTERNATIONAL CONFERENCE ON SUSTAINABLE MATERIALS PROCESSING AND MANUFACTURING 23RD TO 25TH JANUARY, 2017

Process of paper review

All authors and co-authors must ensure that the submitted papers represent their original contributions and must not be copied or plagiarized in whole or in part from other works. If the authors have used the work and/or words of others, this has to be appropriately referenced.

All full papers submitted to the conference will undergo double-blind peer review by the Scientific Committee members which comprises of about 70% of the International Expert Reviewers (list attached). Only the papers have gone through the double blind review and eventually accepted by the conference will be included in the conference proceedings. The conference proceedings will have an ISBN.

The outcome will be communicated to authors within 30 days of final paper submission. The Conference Chair will record the outcomes of reviews and communicate the results notification to the paper submitter.

Should you have any enquiry, please feel free to contact me.
