control

facilitation

The primary task of Customs is to ensure compliance with Customs law.

Challenge of
Customs: how to
keep control and
assure facilitation ?

Alliance Airport – Free Trade Zone

15/03/18

The State of Minas Gerais was the first in Brazil to implement the concept of AEO program to give benefits to the AEO's operators.

REMARKS

- ✓ AEO is, essentially, a partnership program between Customs - Business;
- ✓ The international trade is not made only by Customs or by Companies, but by the work of both;
- ✓ Confidence in each other is absolutely necessary and just exist when each party listen, approach and know the other.
- ✓ Conferences, Seminars, Meetings are very welcome to promote this opportunities;
- ✓ The main goal is the same for Customs and Business, work together to have the best results.

In essence we are equal, in the differences we respect.

Saint Augustine

We want to hear and we want to learn from all of you.

Roberto Azevedo, WTO General Director
