North Coast Collective – Established October 2018

In its initial phase is a regional collaboration between

- North Coast Primary Health Network
- Northern NSW Local Health District
- Mid North Coast Local Health District

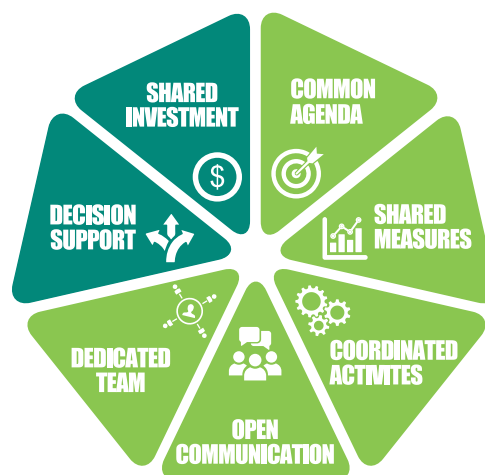

Vision to create a system that:

- Is better connected
- Puts the needs of carers and consumers at its centre to give them better lives
- Addresses the social determinants of health by working hand in hand with cross sectoral partners to better address health priorities

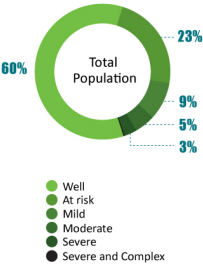

5

Collective Impact Model > Boosted

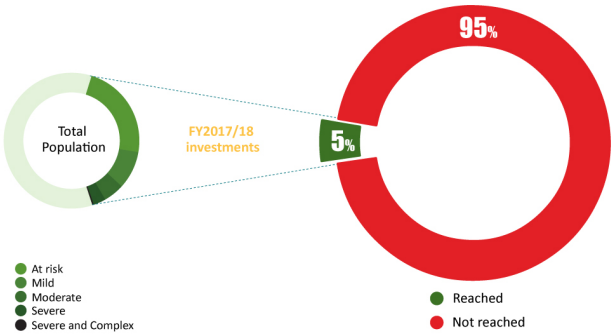

6

Establishing Shared Measures

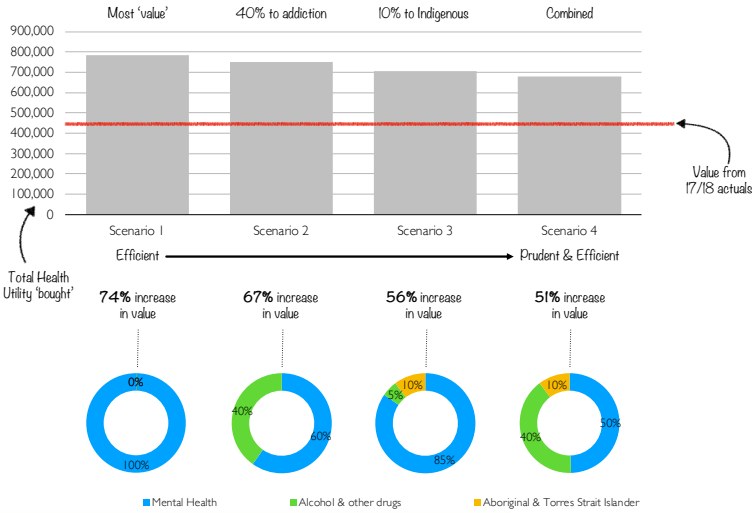

7

Establishing Shared Measures

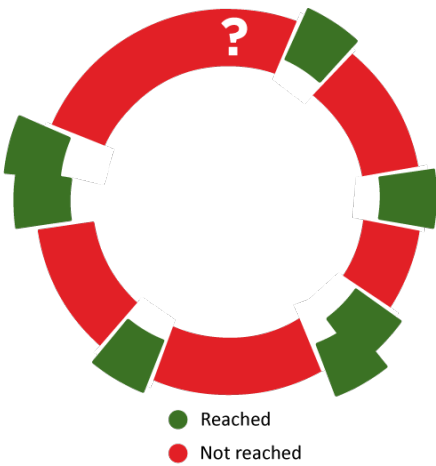

8

There is a benefit to getting it right

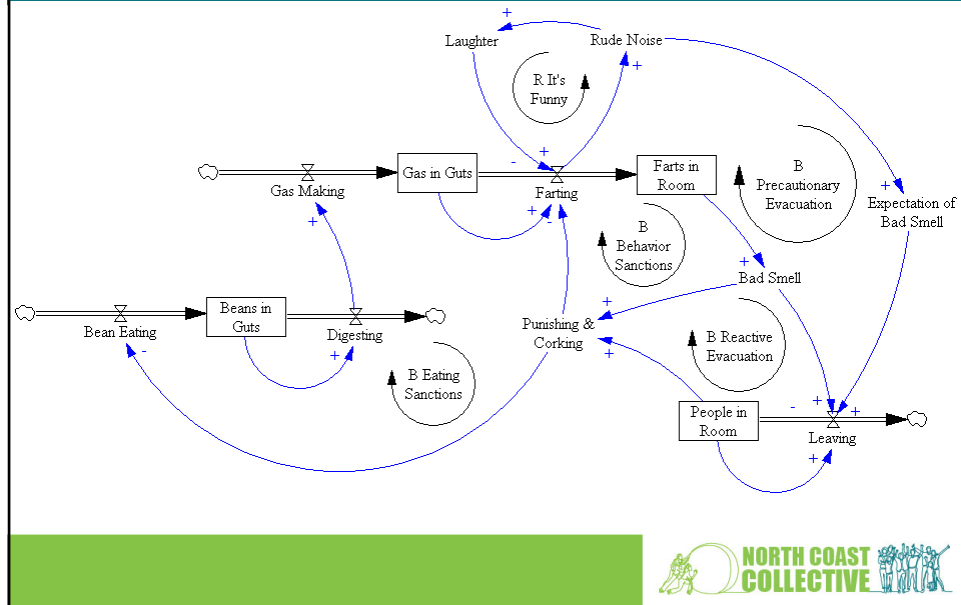

9

Coordinating Activities That Are Mutually Reinforcing

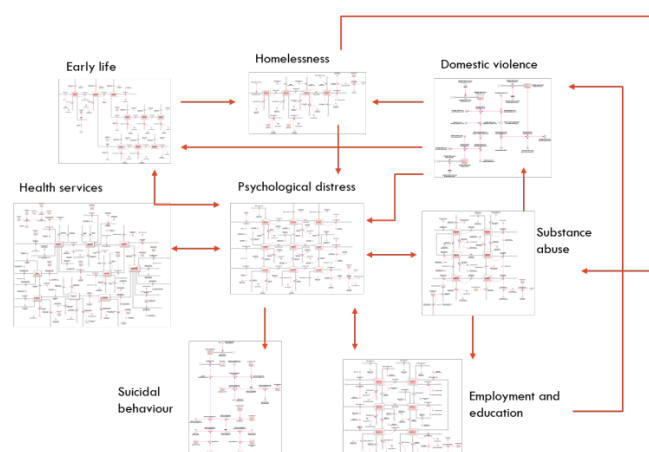

10

The creation of value is complex and dynamic

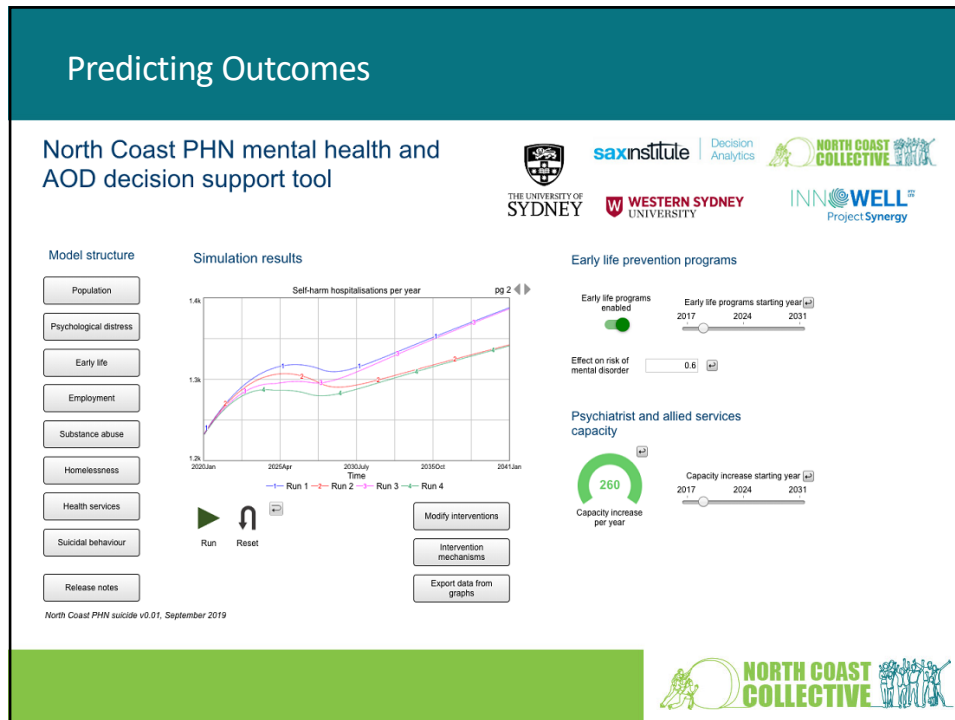

11

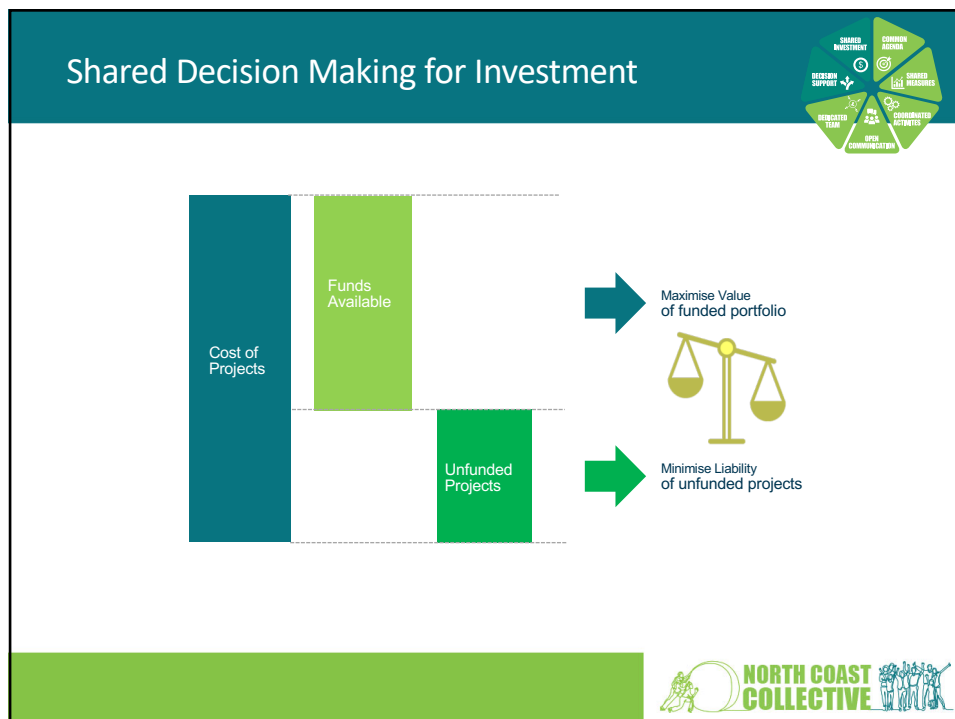

Core Model Structure

12

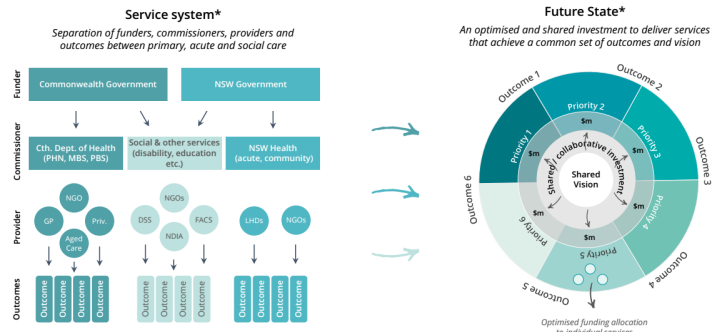

13

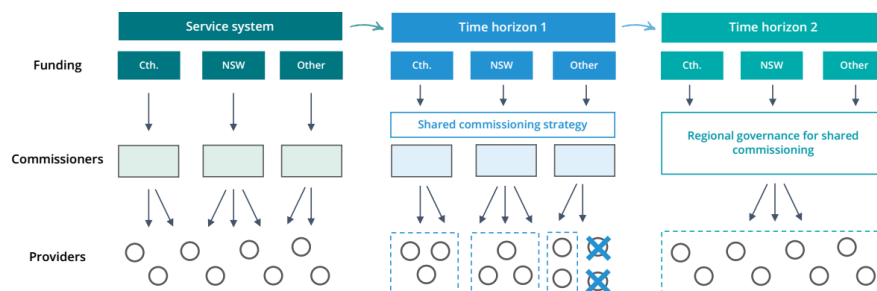

14

Dedicated Model to Achieve Our Goals

15

Dedicated Team: Regional Governance for Commissioning

16

Our process

1. **Define Value** – The Quadruple Aim
2. **Define the Burden** of Mental Health
3. Link **Inputs to Outcomes** - Systems Dynamics Modelling (SDM)
4. Determine the best **Strategic Intervention** – use the SDM
5. Select the best Individual Interventions – **Optimisation**
6. **Forecast the change** in Burden
7. Manage **performance**
