

Flourish Arbonne Foundation Service Project

To give back to the local Costa Rica community, we have worked with partners to identify three K-12 schools nearby the resort with 282 students who need some extra support. Our goal is to come together to provide them all with the school supplies and basic necessities they need!

HOW YOU CAN HELP:

1. Register for the Service Project as part of your AIT registration:

\$40 per adult, which helps us purchase the additional supplies we need for each of the backpacks (beyond what you're bringing below) AND gets you an exclusive Arbonne custom branded BigTruck hat of your choice* upon check-in.

*Subject to availability.

2. Your registration is your commitment to bring the following items with you to AIT:

- Backpack
- Pack of socks (any K-12 size is OK!)
- Coloring book
- Washable kids paint
- Set of paintbrushes

3. Bring your backpack and above items to the Service Project so you can fill it with the rest of the supplies we'll have on-hand! You can stop by at any time between 10 am and noon on Thursday, October 3rd.

4. Enjoy AIT and we'll handle getting the items to the kids!

Want to do more? We're also collecting these items new or gently used to donate!

Puzzles, Legos, and books!

Drop off during the Service Project and we'll allocate to each school.
