CaliQity

California's No Cost e-Learning Platform

In June of 2010, IQ Innovations partnered with the California K-12 High Speed Network (K12HSN). The agreement, which is in place until 2020, gives all schools in California access to the LMS and the Marketplace. IQity was rebranded as CaliQity for the state. California schools are the first in the nation to have access to a true curriculum marketplace.

The screenshot displays two overlapping views of the CaliQity platform. The top view is for "Sunshine School" and the bottom view is for "CaliQity Sandbox School". Both views show a navigation menu with options like HOMEROOM, CLASSROOM, GRADEBOOK, REGISTRAR, COURSES, ASSESSMENT, and REPORTS. The bottom view also includes a "School Announcements" section with a table listing announcements.

Content Marketplace

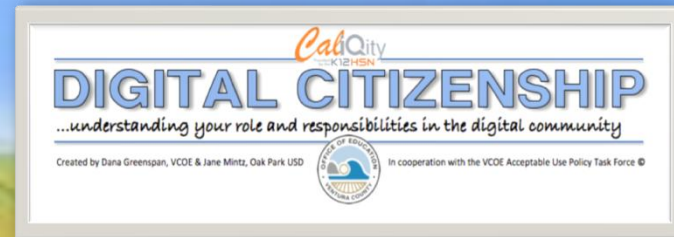

A Content Marketplace is a single source for locating, importing, storing, sharing, selling, and delivering a potentially endless supply of electronic standards-aligned educational content.

Why Now & Why This Course

Why Now

E-rate requirements for CIPA compliance are the driving force...

- ✓ Effective **July 1, 2012**
 - Updated Acceptable Use Policy (AUP) & Certifications
 - Annual Instruction for students

- ✓ Changes align to AB 307

Why Now

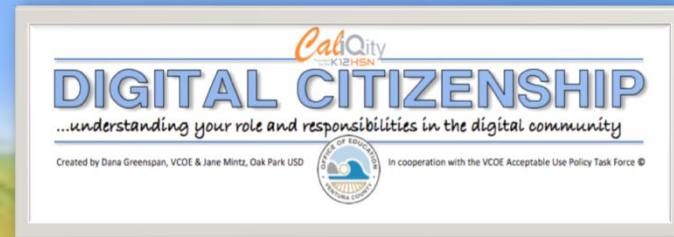

TOM TORLAKSON
State Superintendent
of Public Instruction

New Certifications: Protecting Children in the 21st Century Act

Quoted from USAC:

Note: beginning July 1, 2012, when schools certify their compliance with CIPA, they will also be certifying that their **Internet safety policies have been updated** to provide for educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, cyberbullying awareness, and response.

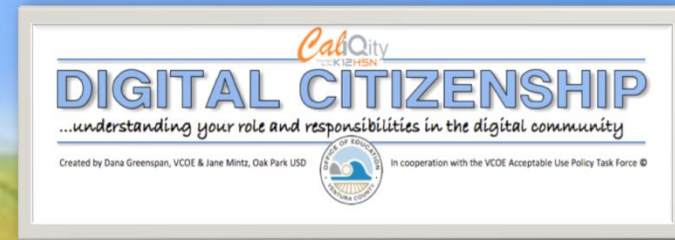

Why Now

AB 307 (Chavez)

- ✓ Signed into law in August 21, 2006
- ✓ Compliance grandfathered via Ed Tech Plan (formerly EETT) renewal, Sections 3 f & 3 g, from 2007 - 2012
- ✓ CDE's expectation requires professional development for ALL staff and instruction for ALL students ANNUALLY

Why Now

AB 307 states. . . the guidelines and criteria shall include a component to educate pupils and teachers on the appropriate ethical use of information technology in the classroom, Internet safety, the manner in which to avoid committing plagiarism, the concept, purpose, and significance of a copyright so that pupils are equipped with the skills necessary to distinguish lawful from unlawful online downloading, and the implications of illegal peer-to-peer network file sharing.
