Dear Prospective Sponsor / Exhibitor:

On Tuesday, December 02, 2025, through Thursday, December 04, 2025, the presenting organizations will welcome attendees to our 33rd Annual SC Statewide Audit Conference. We are excited to hold the conference in-person at the beautiful Columbia Metropolitan Convention Center in the heart of the Congaree Vista near the State Capitol, University of South Carolina and many other attractions. The over 100-member SC State Internal Auditors Association (SCSIAA) will again hold its Annual Business Meeting during the conference at the conference location, providing access to additional professionals.

Conference attendees represent a variety of industries, including banking/finance, technology, health care, insurance, universities, utilities, electronics manufacturing and all branches of government. In fact, our conferences include representatives from approximately 70 different companies and agencies. These representatives included numerous "key decision makers" such as chief audit executives, audit managers, IT and CyberSecurity experts and CFOs. In addition to the sponsoring organizations, attendees also maintain memberships in such organizations as the AICPA, ACFE, and GFOA, and come from SC, NC, GA, TN and VA. The conference program will include ample contact with all attendees including these decision makers, speakers and other sponsors. Exhibiting or speaking at the Platinum and Diamond levels will provide personal access to these professionals.

If you are interested in this opportunity, please take a moment and review the benefits your company would receive and to review our [conference website](#). If you have any questions or desire a modified package, please feel free to [contact us](#).
