OVERVIEW

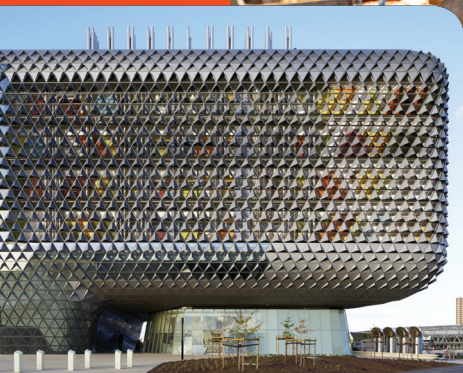

The Australasian HIV&AIDS Conference (26th Annual Conference of the Australasian Society for HIV, Viral Hepatitis and Sexual Health Medicine (ASHM)) is the premier HIV Conference in Australia and the Asia and Pacific region.

The annual conference is run by ASHM as a platform for the presentation and dissemination of new and innovative research findings across the Australasian HIV sector.

Support ASHM's vision to see the virtual eradication of HIV and hit targets set within our National Strategies by attending this important conference.
