We define Asset Owners as significantly sized institutional investors such as pension funds, sovereign wealth funds, insurance companies (excluding asset management arms), government / public funds, endowments and foundations, faith groups and large family and multi-family offices.

Investment consultants considered for free admission at the paid Conferences are those that primarily advise asset owners on investments, independent from providing asset management products or discretionary investment services. For example, those that primarily provide services such as due diligence, evaluation, manager selection and monitoring on behalf of institutional asset owners.

To receive a Registration Code to Attend RI Asia Japan 2019, you must be a named subscriber on your organisation's Responsible Investor Subscription Account. Your organisation's Subscription Account must be fully paid before we issue a Registration Code.

A registration may be cancelled in cases where we find the registrant has chosen a false attendee category intentionally.
